

## Northview

### **ELEMENTARY READING** Instructor: Mrs. Jeanty

Grades 1 - 4

Maximum 15 per class

The elementary reading summer school program is designed to maintain reading skills in the areas of comprehension, decoding, and fluency. Small-group work done in class will reinforce the skills and goals children have worked on throughout the school year. An enjoyment of reading will be promoted through literacy games and activities in addition to exploring texts. Many children have maintained their school-year progress and avoided the summer slide by taking this course! **BY TEACHER RECOMMENDATION ONLY**

### **CAMP FUNLAND** Instructor: Ms. Wymer

Grade 1 - 4

Maximum 15 per class

Fee: \$20.00

If you've ever attended summer school and love it, this is the class for you! If not, you will get the opportunity to try it out. Together we will experience the many activities of summer camp including arts and crafts, exploring nature, science experiments, and many camp games!

### **GAMES** Instructor: Mrs. Wormwood

Grade 2 - 4

Maximum 10 per class

Let's have some healthy competition this summer by playing different kinds of games! We'll play board games, yard games, games on paper, and more.

### **AGRICULTURE CAMP** Instructor: Mrs. Schmitz and Mrs. Malone (Northview)

Grade K - 5

Maximum 25 per class

Fee: \$5

Agriculture Camp will be filled with all things Agriculture- from plants to animals, natural resources, food and more! Your child will learn where their food comes from in a variety of fun activities. Expect visits from furry friends like dairy cows, goats, pigs, and more!

## Middle School

### **MATH MATTERS** Instructor: Mr. Kalk

Grade 5 - 8

Maximum 25 per class

There are matters in math that matter a great deal in our lives. Come join in the discovery of Math and learn how Math relates to our lives every day! Learn important Math facts and concepts everyone needs to master to be successful in Math class and beyond. Gear up for the new school year and learn what matters in life—MATH! **BY TEACHER RECOMMENDATION ONLY**

### **5TH GRADE BEGINNER BAND** Instructor: Mr. Simon (Middle School Band Room)

Grade 5

Beginning band begins in the summer for incoming 5th graders. Lessons will take place on Monday, Wednesday, and Fridays. Groupings will be done by instrument and occur on the following schedule. Mr. Simon will be meeting with the current 4th graders in late April and early May to try out instruments. It is advisable to attend at least 1 of the 2 sessions, however, students may attend both sessions if desired. Sign up information will be coming from Mr. Simon in early April.

### **GAMES** Instructor: Mrs. Wormwood

Grade 5 - 8

Maximum 10 per class

Let's have some healthy competition this summer by playing different kinds of games! We'll play board games, yard games, games on paper, and more.

**READ AND CREATE GRAPHIC NOVELS** Instructor: Ms. Johnston

Grade 5 - 8

Maximum 20 per class

We will explore and read different graphic novels. We'll talk about different themes, plots and characters that are in graphic novels. As we work toward generating ideas to create and write our own graphic novels.

**AGRICULTURE CAMP** Instructor: Mrs. Schmitz and Mrs. Malone (Northview)

Grade K - 5

Maximum 25 per class

Fee: \$5

Agriculture Camp will be filled with all things Agriculture- from plants to animals, natural resources, food and more! Your child will learn where their food comes from in a variety of fun activities. Expect visits from furry friends like dairy cows, goats, pigs, and more!

**JAPANESE CULTURE CLASS** Instructor: Mr. Jacques

Grade 5 - 12

Maximum 15 per class

Fee: \$25.00

This summer course will explore the language, cooking, arts, and culture of Japan. We will introduce Japanese calligraphy (students will learn the basics of traditional Japanese calligraphy aka Shodo), traditional cooking (sushi making, traditional ramen), history of animation (anime) with drawing tutorials, the age of the samurai, to music (classical to J-Pop).

**LEARNING HOW TO LIKE AND DO MATH!** Instructor: Prof. Wyrembeck

Grade 7 - 12

Maximum 10 per class

You will learn how to visualize mathematics, so you do not have to survive by memorizing facts. You will even learn how to like mathematics by seeing it for the first time. We will also focus on preparing for the math you will encounter next year in school wherever you are on that journey. Plus, you get to hang out with Prof :)

**BASKETBALL SKILLS** Instructor: Mr. Jacques

Grade 5 - 8

Maximum 20 per class

Basketball Skills Camp will reinforce the fundamentals of basketball. The participants will be taught the basic techniques of shooting, dribbling, passing, rebounding, and defense.

**LEADING WITH A VISION** Instructor: Mrs. Hoerth

Grade 7 - 8

If you are looking for a way to work with others to make a positive difference in your life, your school, and your community, then this is the perfect class for you. This summer school class focuses on how to be an effective leader, how to build positive relationships, and how to make a difference in your school and community. You will learn fun, new icebreaker games and activities to help you get to know others and build connections, plan fun events and activities for the upcoming school year, and build leadership skills that help you become a strong leader. We will look for ways to make a difference in our school and community. If you are interested in becoming a better leader or are interested in joining the Middle School Student Council, then this is the perfect way to get started! **Note: This class meets August 5 - 9**

**GEARING UP FOR 5TH GRADE** Instructor: Mrs. Holzer, Mr. McMullen, Mrs. Parnitzke

Grade 5

Gear up for 5th grade with your 5th grade homeroom teachers! Incoming 5th graders will have the opportunity to tour the middle school, learn and practice locker combinations, get to know their 5th grade teachers, play fun games, practice academic skills, and ease any worries about the transition to middle school. **THIS CLASS RUNS AUGUST 12-15 from 8 am to 11 am.**

## High School-Classes are held at the Middle School
